# Facilitated Table discussion

**Based on the presentations, data and your local knowledge**

- 1. What are the issues relating to the delivery of the skills agenda across Derbyshire**
- 2. What are the key challenges in delivering the skills priorities outlined (individual, business or community)**
- 3. Have any gaps been identified (could be in current provision, understanding etc.)**
- 4. What opportunities are there to work together to do things differently and add value to current activities**
