
Get Britain Working Measures

Jobcentre Plus

Background

- The Government wants to get Britain working.
- This will require the support of all our partners who have the expertise and local knowledge to give individuals the tailored support they need to find work.
- **We want to harness your experience, skills and talent to help people get back into work.**

Overview of the Get Britain Working Measures

- **Work Clubs** - a way of encouraging people who are out of work to exchange skills and share experiences, so that they can find employment (launched October 2010);
- **Work Together** - a way of developing work skills through volunteering (launched October 2010);
- The **New Enterprise Allowance** - to support unemployed people who wish to move off benefits into self-employment (Trailblazer launched 31 January 2011; other target areas from April and nationally from Autumn 2011);
- **Enterprise Clubs** - a way of encouraging people who are out of work to exchange skills, share experience, and work through their business ideas (launched 31 January 2011);
- pre-employment training and work placements through **Work Academies** (to be launched Autumn 2011); and
- **Work Experience** - to help young people gain insight into the world of work (launched 24 January 2011)
