

Your opportunity to have your say

Have your say about significant changes we're proposing to our Early Help service

We're carrying out a consultation to seek the views of Derbyshire residents about a number of proposed changes to our Early Help service.

Early Help is support for children and young people aged up to 18 (or 25 for those with special needs or who are disabled) and their families early on when problems emerge.

It may be required at any stage in a child's life from pre-birth to adulthood and includes us working with other partnership agencies to understand and support families to help them care for their children and deal with any problem they feel unable to manage on their own.

You can see the proposed changes and give us your views at derbyshire.gov.uk/earlyhelppreview

Closing date for responses is 22 October 2018
